LEGACY MISSION STATEMENT:

Our goal at Legacy Outdoor Furniture is to make high quality poly outdoor furniture in a timely manner and at reasonable prices. We use only high density poly, and all fasteners are stainless steel. High density poly has no wood or other fibers that attract rodents. Also, poly does not rot or decay.

LEGACY WARRANTY

We will replace, free of charge, any defective parts, except those broken or damaged from rough treatment.

Every year thousands of HDPE milk jugs and water bottles are rescued from America's waste stream and recycled into durable poly lumber. The result is our craftsman producing safe, sturdy low maintenance furniture for your family.

LOW MAINTENANCE

Easy to clean, just spray off, or wash with soap and water. Poly Furniture being heavier than Aluminum, Vinyl and Wood Furniture is not easily blown about by the wind. Under normal use there is zero maintenance for the life of the furniture other than normal cleaning.

FADE & WEATHER RESISTANT

Our poly lumber has a UV additive that helps minimize fading or discoloration. You can leave your furniture out in all weather and simply clean it prior to use.
